

Guidelines to Host a Drive

1. Register to Host a Drive for *Mission Miracle* on <https://give.classy.org/missionmiracle>
This ensures that you receive important updates about your participation and support on hosting a successful drive.
2. Choose one or two weeks that you would like for your drive to take place between now and May 8, 2019
3. Designate a central location to serve as your donation center
4. Use social media and email to raise awareness about your drive for *Mission Miracle*
5. Share the desired list of care items attached below with your group. This will ensure that people know what items to donate.
6. On May 9, 10 or 11, your designated drop-off team will be responsible for bringing the items to our Donation point at CLARE|MATRIX.

If you would like to go beyond hosting a drive and dropping off the items, please visit clarematrix.org/missionmiracle to see how you and/or your team could help to assemble care packages with these items!
